INSURANCE BROKERS

The Edmonton Humane Society (EHS) is thrilled to be the benefiting charity for the 7th annual ***Puttin' Fore Paws - Drive, Dine and Dogs*** event presented by Lloyd Sadd.

As an animal shelter, EHS takes in homeless, abandoned and neglected companion animals, providing them a warm, safe haven and compassionate care on their journey to finding new, loving families.

Proceeds from the event will support our mission to enrich the lives of people and companion animals through animal sheltering, programs and services, and community engagement.

In 2023, supported by events like this one, EHS successfully completed adoptions for over 3,500 companion animals; we were also able to provide community support services through various programs such as low income spay neuter, pet food bank, and humane education to support happy, lifelong bonds between people and pets.

Puttin' Fore Paws - Drive, Dine and Dogs has become an event I look forward to each year. Your generous support of this event makes it possible for EHS to continue to advance animal welfare in our community. Thank you!

Sincerely,

What is Puttin' Fore Paws?

In 2018, Benefit Consultants Inc. (now a part of Lloyd Sadd's benefits division) was looking for a way to support a great cause, and Puttin' Fore Paws was born! Starting out as an 18 Hole Texas Scramble, this tournament had to be cancelled in 2020 due to the pandemic. However, our committee decided to take another swing at it, and created a new event - **Puttin' Fore Paws!**

This driving range event helped us create a fun, safe way to continue to raise important funds for our furry friends. **We are so excited to run with this format again in 2024, hosted by Lloyd Sadd!**

Where Does the Money Go?

The **Edmonton Humane Society** is an organization that has passionate and dedicated people running exceptional animal welfare programs, including: shelter, adoption, fostering, humane education, animal health care, animal protection, canine enrichment, and spay or neuter surgeries to name a few. EHS takes in more than 9,000 homeless/abused/abandoned animals each year, requiring individualized care, from evaluation to treatment.

The Event – Details

Golfers of ALL skill levels are invited to join us at **Victoria Driving Range** on **Friday, August 23, 2024** for unlimited range balls, dinner, and drinks!

The event is from **4:30 pm to 8:00 pm**.

The best part? Your furry friend is allowed to join you! One dog per table will be permitted.
